## **2026 Pitch & Putt Ireland Convention**

### **Honorary Secretary Report**

Ladies and Gentlemen,

It is both an honour and a challenge to present my Secretary's Report to this year's Annual General Meeting. I am very conscious that this has been a turbulent and, at times, difficult year for the administration of our sport. The fact that I am the fourth Secretary of Pitch and Putt Ireland to serve during this year is in itself a reflection of those challenges.

#### **Administration and Governance**

NEC meetings have occasionally been turbulent, and decisions made by this NEC will affect the future direction of our Association for years to come. In particular, the NEC's decision this year not to apply for any "Dormant Accounts Grants" for 2026 may have long-term implications for our eligibility to secure these grants in the future. It is my strongly held belief that the primary objective of the NEC should be to support our players and clubs as our first priority, ahead of the institutions of the game.

We recently underwent a comprehensive audit by Sport Ireland. While the audit commended much of our work, it also identified several key areas of governance that require our immediate attention—particularly with regards to modernising our structures and improving transparency and accessibility. These must remain our focus going forward.

#### **Communication and Outreach**

Despite these hurdles, this year has also seen immense improvements in our engagement with players and clubs. I am proud to report that the lines of communication have never been more open. We have introduced modern technologies, including live streaming of events, digital scoreboards, and improved communication channels, bringing us closer as an organisation.

We have also taken significant steps towards launching online competition entries. This innovation will greatly reduce administrative workload and decrease the chance of errors, making participation more seamless for everyone involved.

#### **Playing Success and Development**

Our sporting performance this year has been nothing short of inspiring. I was delighted to see all of our players who won titles during the year achieve their goals—every one of them should be immensely proud of their accomplishments. We have celebrated European Championship successes, seen the expansion of ranking events, and promoted inclusiveness within Inter and Junior grades.

Our working partnerships with the Ladies' game and the implementation of a far-reaching coaching programme are laying solid foundations for the future. These initiatives are already resulting in an increase in registered members, and we remain optimistic about both new and returning clubs becoming part of our community.

## **Education and Training**

We have not only focused on playing but also on knowledge and safety. This year we offered a suite of online and in-person courses, including:

- Accountant workshops for clubs
- First Aid
- Chainsaw and Spraying Safety
- Governance and GDPR training
- Grant Applications
- Vetting and Protection
- Coaching

Our commitment to upskilling and education is for everyone—players, volunteers, and officials alike.

## **Acknowledgements**

None of our achievements would be possible without the dedicated staff members in the office. I would like to extend my sincere thanks to Dwyne, Miriam, Norma, Niamh and Beverly for being the backbone of our operations throughout the year.

## **A Closing Wish**

If I could make one wish, it would be a simple one: that every member of Pitch and Putt Ireland plays this wonderful game with a smile. Enjoy the sport, play it to your own capacity, and remember the health and wellbeing benefits it offers. Ours truly is one of the world's most accessible competitive sports, and I hope that we continue to promote it as such.

Thank you all for your support throughout the year. I look forward to working together towards an even brighter future for Pitch and Putt Ireland.

**Frank Dineen**  
**Honorary Secretary (acting)**

## **Vice President Report**

As we reflect on the 2025 season, we took another step forward by having some events live streamed professionally and these proved very popular. The season had so many highlights from April to November the one I enjoyed the most was our Ladies and Gents international teams winning the European team championships in a well-manicured Lucan course. The preparation and effort both teams put into the event was superb and my congratulations go to both teams and their managers.

With our numbers steadily increasing we face new challenges with the emphasis on the players we need to increase entries and run our competitions more professionally. We have some world class players, and these players put us on the top of the world, we need to embrace them and keep supporting them both on and off the course. Our biggest asset is our players we need to engage more and provide all our players with top class courses and professional administration of events.

Our marketing and promotional standards need to improve we have a great product let's push ourselves as hard as possible. With upgrading our technology there is no end to what we can achieve.

We had a few scary moments on the course none more than in St Anne's at the National strokeplay to Darren O Leary and Micheal O Connell our sincere thanks. The effort ye put in to saving a player's life was beyond belief. It could have been an awful tragedy, but your efforts prevented this happening.

My thanks to all the clubs who allowed us use of their facilities also to the Co boards for their help running competitions. Without volunteers we probably wouldn't exist certainly not at the level we're at now to all who help out many thanks for helping our game survive.

My thanks to the office staff for your work and diligence throughout the season.

Lastly thanks to my fellow officers for an interesting first year on the NEC and hopefully we achieve our aims in the 2026 season both on and off the course.

**Anthony Malone**

## **National Coordinator Report**

Mr. President, Patrons, N.E.C. Officers, Delegates, Ladies & Gentlemen.

2025 was an eventful year for Pitch & Putt in Ireland. In addition to the already busy schedule was added the European Team Championships hosted by Lucan and resulting in victory for both the Gents & Ladies teams from Ireland. While it can be regarded as an honour to host such an event the high costs involved are certainly a cause for major concern.

At both National and Provincial level championships were successfully run but weather conditions, due in the main to climate change, are becoming more and more influential. Both Provincial & National Inter County Championships were rain threatened and in Leinster two championships had to be cancelled and played at a later date.

Congratulations to all winners whose details and all other competition information can be found later in the Convention Booklet. In this regard I must thank John Maninng and Norma and Miriam for their assistance.

As the Booklet contains all the information regarding Championships it is not necessary for me to expand further. I would like to thank all the clubs who provided courses and for the hospitality all the Officers and Helpers received. I made my first trip to Inniskeen (700 kilometres) this year but thanks to my Free Travel Pass there was no mileage cost involved.

I would like to thank my fellow Officers for their help during the year, in addition Junior Ryan in Cork was always willing to lend a hand in Munster, John Manning for his knowledge and insight, Dwyne our C.E.O. Miriam & Norma in the office who handled the draws and were always available for queries. Finally, I would like to thank Margaret O'Riordan who provided such pleasant company on our journeys to meetings and Championships.

In conclusion I imagine not everybody was happy with all that happened during the year and I apologize to anyone who may have been upset by any of my actions. All I can say is that I always operated with what I considered the best interests of Irish Pitch & Putt.

Let us look forward to a successful year in 2026.

## Leinster Co-Ordinator Report 2026

Mr. President, Patrons of the PPI, Fellow NEC Officers, Delegates, County Boards and Clubs,

I was seconded onto the NEC in July 2025 and truly honoured to be asked to take up the position of Leinster Co-Ordinator. I don't think I fully realised at the time just how busy and exciting those "few months" would be — but I can safely say there has never been a dull moment!

My background is in Human Resource Management and Event Management, areas I've worked in for many years. Thankfully, both have proven very useful — especially when juggling fixtures, people, weather forecasts, and the occasional last-minute surprise that sport tends to throw at us. I hope to continue bringing these skills to everything I'm involved in within Leinster.

This year, Leinster had the privilege of hosting numerous Championship events, and I was delighted to be part of them — learning as I went. The warmth, encouragement and support I've received from members of clubs across the province has been genuinely overwhelming. For someone settling into a new role, that support has meant a great deal, and I sincerely thank you all.

It would be impossible — and probably unwise! — to single out any one event or venue, because the preparation and work carried out by clubs in advance of championships is simply immense. I would like to sincerely thank the greenkeepers, volunteers and staff of all the host clubs. The condition of the courses and the welcome extended to players reflects hours of unseen dedication. We are privileged to play on such well-presented courses, and that does not happen by accident — it happens because of you. Thank you.

Our events would also not be possible without the support of our sponsors. Their continued backing of our sport is deeply appreciated, and I hope they remain part of our Pitch and Putt community for many years to come.

I have also had the opportunity to be involved with an initiative that I believe has been a fantastic addition to our game — Live Commentary. It has proven hugely popular and has brought a new dimension to championships, allowing those at home to feel part of the occasion. I would certainly be very supportive of seeing this continue and develop further. After all, who doesn't enjoy hearing the drama of a final necessary winning putt.

Looking ahead, I would like to see particular focus on:

- The Handicap System
- Funding awareness and support
- Interclub Greenkeeping Support

Finally, I feel compelled to mention the recent damage at Laytown Pitch and Putt Club. The response from clubs throughout Ireland was immediate and generous. It was heartening to see such unity and support. It reminded us all that while we compete fiercely on the course, off the course we stand together. That solidarity speaks volumes about our community and about the love we all share for this great game.

Thank you sincerely for the support and encouragement you have shown me over the past few months. I look forward with optimism and enthusiasm to the continued growth and success of Pitch and Putt Ireland.

Thank you.

## **Communications & Press Officer Report**

Taking on the role of Communications Officer halfway through the year has been both a challenge and a valuable learning experience. It has become clear to me that communication within our organisation isn't just a side responsibility—it needs to be a dedicated role in its own right, to ensure we effectively engage with our members and attract newcomers to our sport. Maybe I did not achieve all I wished for during the year, perhaps next year can build on some of the initiatives.

I often describe our sport as “The Family of Pitch and Putt,” and it’s a family I wish to see grow. The key to that growth is active and consistent communication using every medium available to us. Last year, we established the “Broadcast Group” to professionalise our approach and methods for delivering our message. Our investment in streaming this year is a positive step, not just for showcasing Pitch and Putt to a wider audience, but also for creating a historical archive of our events—a resource that serves players and supporters alike, allowing them to revisit fond memories.

However, while streaming has its place, our priority must remain encouraging participation in live events, which are the backbone of all we do. Our goal should be to ensure these events are not only worth watching online but are engaging and rewarding for those who attend in person. Building spectator experience is an ambition we must strive towards.

Our journey into new media continues, led especially by the younger members of our community. We are making progress in managing and delivering high-quality multimedia content across platforms, though it is a learning curve. The recent decision to relaunch “Backspin” as a podcast featuring multiple contributors is an exciting development, and distributing this series across platforms like Spotify and YouTube will help us reach a broader audience.

We have chosen to focus our content output on YouTube rather than Facebook, due to Facebook’s policy of deleting live content after one month. We want Pitch and Putt’s moments of glory to last far longer—these memories matter to both players and fans. Lost footage means lost legacy.

Becoming relevant to sponsors is essential for our continued growth and higher exposure. To do this, we must offer real value and support to sponsors, which requires us to invest in ourselves and build the organisation we aspire to be. Unfortunately, this requires investment - investment we should not shirk away from.

This year has truly been a team effort. I wish to extend my deepest thanks to our staff—Dwyne, Miriam, Norma, Beverly, and Niamh—and to the dedicated volunteers who generously give their time and energy to support our game. Special thanks must go to Mr John Manning, so often the hidden glue in our organisation, and to so many others—Philip Warner, John Ross Crangle, Joe Price, Derek O’Driscoll, Mark Keohane, John Plunkett,  **PITCH AND PUTT IRELAND**

Pat Kirwan, Frank Naughton, Mick Cunningham, Suzanne Jordan, Marina O'Rourke and many more. I am sincerely grateful to what I continue to call the family of Pitch and Putt.

I would be remiss not to acknowledge those who work quietly behind the scenes, offering advice and helping to guide us—John Looney, John Cahill, Skinner, and John O’Leary. Your input, and the ability to reel me back from more than one mad idea, has been invaluable.

Finally, I appeal to anyone, or anyone with family interested in film work or photography, to consider helping us out—even if only for a couple of days a year. The spirit of volunteerism is vital. The time invested brings personal benefits and the satisfaction of helping our community shine; even the smallest effort can leave a lasting glow in the soul.

Thank you all for your support, dedication, and enthusiasm. Let’s continue to build the family of Pitch and Putt together.

## National Ladies Officer Report 2025

Mr President, Patrons, Fellow NEC Officers, Board delegates, Club delegates, Ladies and Gentlemen

I have been actively and passionately involved in the sport of Pitch & Putt from a very young age. From being a player to my committed involvement on club committee and county board, Pitch and Putt has played such a big part in my life. It was this passion for the game that led me to accept the Ladies Officer's position when invited to do so in 2025. I have a strong belief about the important role that women can and should play within our great organisation. I have believed that by taking on this role I could greatly contribute to the continuing development of Ladies' pitch and putt in Ireland. The responsibilities and the demands that the role of Ladies' Officer and by extension the role of being an NEC Officer presented many challenges throughout 2025. I have responded to these to the best of my ability and always in consideration of what is best for the organisation as a whole. I have given particular attention to the Ladies' game as my remit has demanded, which has resulted in various activities / developments taking place in 2025

We had a very active Ladies' Committee in 2025. Time was spent discussing and exploring the ladies game with the objective of identifying and activating changes that could benefit it. The members of that committee are Orla Creevy (Lucan), Amy Galvin (Tullamore), Karen McVerry (Cloghogue), Gillian Morrissey (St. Annes) and Mary Murray (Rocklodge). These ladies gave up their free time and volunteered to be on the ladies committee with me. I owe them a debt of gratitude. A further expression of thanks must go to Chrissey Sheedy for the effort she went to putting together a comprehensive document on the ladies game and what improvements could be made, which we used as a starting point for all discussions. The discussions were purposeful and had a positive outcome as recommendations for beneficial changes were identified, agreed and sent to the NEC for deliberation. In fairness to the NEC, all changes we proposed were adopted and will come into effect this year. So! I would like to thank all members of the NEC for supporting the ladies committee in its role.

One of the big projects that I oversaw in 2025 was the development of the Ladies Strategic Plan. I believed it was very important to get input from as many ladies as possible and I am proud to say that the opinions of 107 lady players have been taken into account into creating this document. A huge thanks goes to Ryston Pitch and Putt Club and Darren Keogh, Athgarvan Pitch and Putt club, Fermoy Pitch and Putt Club and John Cahill for providing the venues that facilitated the strong input into this plan. I also want to thank Lisa Clancy (Sports Ireland) for her enthusiasm and for getting the best out of the sessions with us. A sincere thanks to Louise Grace who coordinated the Leinster Ladies Day, to Mary-Ann Cahill who coordinated the Munster Day and to Francis Ryan and Suzanne Jordan for allowing us engage with the interprovincial teams.

I especially want to thank all the ladies who came to the events and gave us their ideas. It was very evident how important the role that pitch and putt plays in their lives. Ladies told us that

pitch and putt is therapy, is a way to socialise, to make friends, to destress, to get exercise and of course to frustrate ourselves!

It is important to state that not all changes agreed in 2025 were implemented and equally there are still improvements to be made in the future. For now! It is worth noting the agreed changes coming into effect in the playing season of 2026;

### **Ladies National Strokeplay**

- 12 qualifiers for the last round in each grade instead of 6.
- Same format as 2025 for all grades

### **Ladies National Match Play**

- A gross championship will be held in each grade.
- In the senior grade, the draw will be seeded.

### **National Scotch Foursomes**

- Prizes will be given for lady/lady pairings

### **Provincial Ladies Intercounty**

- Leinster and Munster championship will follow the format of 2025 Leinster Intercounty.

### **National Ladies Intercounty**

- Ladies' teams will consist of 5 players. Counting scores will be two scotch foursomes scores plus four single stroke play scores.

### **Ladies Ranking Events**

- Two ladies ranking events will be part of the fixtures list

Looking ahead into 2026, there are a number of items that need to be addressed. Here are some of them:

1. The ladies handicap system
2. Coaching
3. Ways to increase participation in the game

Finally! It has been an honour and a privilege to hold the position of National Ladies Officer on the NEC during 2025. I would like to thank each and everyone of you for your support, your advice and most importantly your goodwill throughout the last year. Pitch and Putt is a great sport with great people. I believe that we all have the capacity to strengthen and improve the wonderful organisation that is Pitch & Putt, both now in 2026 and beyond.

**Yours in sport**

**Liz Quinn**

## Youth Officers Report 2025

Mr President, fellow officers and delegates, the following is my report on underage activities for 2025.

The 2025 season commenced with the Schools Competition with the Provincial's held in Tullamore in Leinster and Munster Tipperary Hills with the Final's held in St Bridgets. St Brendans A Killarney emerged victorious in Munster while Castlepollard A took the honours in Leinster. All Ireland honours went to St Brendans A Killarney with St Kieran's Kilkenny runner's up and St Frances Cork in third. It was fantastic to see a further increase in participation and hopefully the trend will continue 2026. Congratulations to all our winners. Due to the large entry in 2025 a review at entry stage as to possible qualifiers or restriction as to how many teams per school allowed to enter, while this may prove challenging it should be looked on as a positive result in the coaching that has been on going in schools for the last number of years as finally bearing fruit.

**U16 Provincial Matchplay's:** Riverdale and St Bridgets were our hosts. In Munster Charlie Taylor Tipp Hills took the honours in a hard-fought battle with Fionn McMonagle Deerpark with the shield going to Nicholas O'Toole Larkspur Park from his clubmate Jack O'Dwyer. In Leinster Shane Murphy Glenville was the winner over Max Guyot Portmarnock and in the shield Brad Meehan Banglestown claimed victory over Sean Condron Kilbeggan and the girls title went to Pippa Cuffe Kilbeggan with Molly O'Toole Ryston runner-up. Increased participation in both provinces if the trend continue will lead to possible qualifiers which bodes well going forward.

**Provincial Strokeplay/Inter-County Championships:** Rochfordbridge and Crosshaven hosted and again large entries meant an exceptionally long day but the standard of competition served up at both venues was brilliant to witness. In Munster Charlie Taylor took the individual honours from his fellow county teammate Nicholas O'Toole with Fionn O'Callaghan in third. The team honours went to Cork with Tipperary in second position and Kerry third. Jack McShane Gowran took the title in Leinster with Jason Kelly Banglestown in second and Portmarnock Enda Hayden in third place. In the 10-13 grade Max Guyot Portmarnock was the winner from Hugo O'Brien Banglestown in second and Ben O'Gorman Kilbeggan in third and in the Girls Pippa Cuffe Kilbeggan the winner from Molly O'Toole Ryston in second with Eabha O'Connor Ryston in third place. Leinster Inter County honours went to the Carlow team with Dublin in second and Kilkenny in third.

**U16 National Strokeplay/Inter County:** Banglestown was our hosts in what turned out to be a fantastic days Pitch and Putt with our host's player Jason Kelly claiming the individual honours from Enda Hayden Portmarnock second and Tommy Weir Kilbeggan third and in doing so Jason lead his Carlow team to victory over Cork and Dublin respectively. Pippa Cuffe Kilbeggan was victorious in the Girls competition with Molly O'Toole Ryston in second and Sarah Ryan Tipp Hills in third. In the boys U13 section Conor Ronan Fermoy emerged the winner after a 9hole play from Max Guyot Portmarnock.

**U\16 National Matchplay:** Fermoy played host and what a display of top-class pitch and putt over the two days of competition. In an all-Kilkenny Final Jack McShane emerged the victor from his fellow Gowran clubman Harry Concannon. Sara Ryan Tipperary Hills won the Girls Championship with Pippa Cuffe Kilbeggan runner-up and in the plate section Sean Condron Kilbeggan claimed victory from Ben Franklin Hillview.

I would like to thank all the clubs and county boards that made a huge effort in the promoting of the underage game, pitch and putt need your continued support during 2026 and long into the future.

A big thank you to all the clubs that hosted various competitions in 2025 the hospitality shown to me and my fellow officials was much appreciate, to the greenkeeping and clubhouse /catering staff in all our venues thank you for having the course and clubhouse facilities in top class condition.

To my fellow NEC officers and Derry McCarty Deerpark, Adrian & Veronica Anglim Hillview and Junior Ryan St Anne's for their help and assistance in 2025.

**Yours in Sport**

**Liam Leahy (Youth Officer)**

## **Motion 8**

### 72 Juvenile Members

72.1 They must be registered on the appropriate forms and with designated fees. Registration cards will be issued by NEC.

72.2 Club members who have attained their sixth birthday and have not attained their eighteenth birthday are deemed to be Juveniles (e.g., 6 -17 years old).

Note: All Juveniles must produce their birth certificate to the club secretary prior to their first registration. They must also have a Parental/Guardian Form signed annually.

72.3 A Juvenile reaching sixteen years of age will be granted a Firm Handicap and will be allowed to enter Adult Championships/Competitions provided that they follow the criteria set down on the Parental/Guardian Form. The Handicap will be granted upon a submission from the Club to the relevant County/Regional Board and the NEC.

72.4 A Juvenile reaching ten years of age will be granted an interim Juvenile Handicap, this will allow for Nett Prizes in Juvenile Opens. The Handicap will be used until they reach their Sixteenth Birthday.

### **Amend to**

### 72 Under 18 Members

72.1 In accordance with the Child Care Act 1991 and the Children Act 2001 where a child is defined as any person who is under 18 years of age, a club member who has become six years old and has not yet become eighteen years old is deemed to be an Under 18 member (e.g., 6 -17 years old). (required)

72.2 Prior to first registration, a person under 18 years of age must produce a birth certificate as proof of age to the club secretary and must produce a signed parental/guardian form. The person must be registered on the appropriate form/s. Upon fulfilment of the above criteria, a registration card will be issued. Upon renewal of annual club membership, a person who is under 18 years of age must produce a signed parental/guardian form. (required)

72.3 An individual member who reaches ten years of age will be granted an interim Under 18 Handicap. The Handicap will be used until the individual member's 18<sup>th</sup> birthday has been reached. (required)

72.4 Any Under 18 member who has yet to reach eighteen years of age and who prior to (28<sup>th</sup> February 2025) has been granted a firm handicap to participate in adult

competitions, will be entitled to participate in both Under 18 and Adult competitions until the individual member's 18th birthday has been reached. Participation in Adult competitions is contingent on the individual member adhering to the criteria set down on the Parental/Guardian Form. (optional)

#### Additional Rule

Rule 10.23 Specific Rules for Scramble Play.

- (i) After play from the tee box, all subsequent shots must be played from the exact resting place of the chosen ball to be played.
- (ii) Marking the chosen ball (through the green)

The ball to be played shall be marked with a pattern marker, coin or tee. The marker should then be moved one or more club head lengths to one side.

**(iii) Marking the chosen ball (on the green).**

The ball to be played shall be marked with a pattern marker or coin. The marker should then be moved one or more putter head lengths to one side.

**(iv) When a ball is holed the hole is then complete and no further play on that hole is permitted.**

**(Footnote.** Presently there is no reference to Scramble play whatsoever in our rules of play. Most of us have witnessed questionable or flagrant abuse of rules during the ball marking procedure and the positioning of a ball to be played. There are differing opinions as to when a hole is complete. It is essential to place something in our rules of play to set a standard to which all can adhere to.)

### Motion 11

Replace "10.11 The player shall face the hole and drop the ball not nearer the hole with outstretched arm shoulder high ensuring the line of play is maintained. The arm must be outstretched directly in front of the person dropping the ball and not to either side. A dropped ball may be redropped before a stroke is played. A dropped ball, which comes to rest nearer the hole than its original position or out of bounds, shall be redropped. A ball, which cannot be dropped to a playable lie, may be placed. Note: The line of play must not be improved.

With "10.11 The player shall face the hole and the drop the ball not nearer the hole from knee height while ensuring the line of play is maintained. The player must hold the ball at knee height and let go in a manner so that the ball: -Falls straight down without the player throwing, spinning, rolling it, or using any other motion that might affect where the ball comes to rest. -Does not touch any part of the player's body or equipment before it hits the ground. A dropped ball may be redropped before a stroke is played. A dropped ball, which comes to rest nearer the hole than its original position or out of bounds, shall be redropped. A ball which cannot be dropped to a playable lie, may be placed."

## Motion 13

In the Rules of Play for Pitch and Putt, add rule 9.4 to Part III: Clubs as follows:

9.4 A player may not make a stroke with a club when they have deliberately changed that club's playing characteristics during the round (including while play is stopped):

- (1) By using an adjustable feature or physically changing the club (except when allowed to repair damage), or
- (2) By applying any substance to the clubhead to affect how it performs in making a stroke. This includes applying water, liquid, or lubricant to the club face to change the performance of the club, for example, wetting the club face to reduce friction and therefore spin.
- (3) If a club has been altered as described in (1) or (2), the player may return the club to its conforming state before playing a stroke to avoid a penalty under this Rule, for example, drying a club which had a substance applied for cleaning purposes.

## **Recommendations for Convention 2026**

### **Recommendation 1**

The top eight ranked players (not already exempt from qualifying) on the Pitch and Putt Ireland National Gents rankings (as at the relevant championship closing date) to receive automatic slots in the National Gents Strokeplay (senior grade) finals and National Gents Matchplay (senior grade) finals (provided they enter and pay the entry fee).

Qualifying rounds for National Gents Strokeplay (senior grade) and National Gents Matchplay (senior grade) to be regionalised and both played in Strokeplay format— one qualifying round in Munster and one in Leinster for each championship.

Those regional qualifying rounds will also attract National Gents ranking points.

**Vice President**

### **Recommendation 2**

That in the case of club specific competitions that the buffer zone would be increased to 1.0 for all cuts.

This would encourage more participation in Local Club competitions which are the lifeblood of the game and prevent players getting cut for exceptional results from multi card events, when only a single round could have huge effects.

**St.Annes & Cork Co.Board**

### **Recommendation 3**

For the Gents National Inter-County, allow for team sizes of a maximum of 8 named players. Any configuration of those named players can be used in any session of the event. Teams are free to use only 6 players if they wish but have the freedom to select players from a named panel of up to 8.

**Kerry County Board**

### **Recommendation 4**

As a recommendation providing €3,000 as a financial assistance to clubs that host two-day national events and €2,000 to clubs that host provincial events, to help cover event staging costs.

**Meath CB**

## **Recommendation 5**

I'd like to recommend that the Inter and Junior inter co challenge comprise of the top 4 teams from each province from their relevant grades.

This would give 8 teams competing for the National title in both inter and junior grades. The format would be 18 holes Scotch Foursomes and 18 holes singles with all scores to count. It is feasible to play on the one course on the same day.

**Vice President**

## **Recommendation 6**

1. That the NEC take control and set the prizes for scr cups.

**Dublin Co. Board**

## **Recommendation 7**

1. That for the 2027 season that in order for a club to host a 36-hole or 54-hole scr cup they must host both a 36 and 54 hole event. They will be run on a rotational basis with another club in close proximity as where possible.

Fox example, June 9th Old County 54-hole scr cup Glenville 36-hole masters  
 Aug 23rd Old County 36-hole masters Glenville 54-hole scr cup  
 54 HOLE Will be turn up and play and 36 HOLE remain a timesheet.

**Dublin Co. Board**

## **Recommendation 8**

Recommends that when clubs are accepting new members they enquire if the new member is or has been a golf player and is so what handicap they played off

**McDonagh**

## **Recommendation 9**

To have Order of Malta / Red Cross in attendance at all national and provisional events going forward.

**Lucan**
